

**DECLARATION OF FREEDOM AND REMOVAL OF CONSENT *FREEDOM IS THE WILL OF THE CREATOR For alan d. ritter natural human being***

***THIS IS MY DECLARATION of IMMORTALITY, FREEDOM, FREEWILL, IMMUNITY FROM EARTH'S AUTHORITY STRUCTURE, and A LIVING PROCLAMATION of INDEPENDENCE FOR THE ETERNAL SOUL.***

***\*\*\* Note, A living human being of which I am, CANNOT contract with an A.I. or representative and all contracts with such are voided by the CREATOR on my behalf. All contracts with so called "strawmen" or "stand-ins" for myself are voided now and forever.***

**1) DECLARATION**

***This Declaration applies to ALL TIMELINES, and to ALL Multi-dimensional NATURAL LIVES and to all ALL incarnations of my Soul. (past, present and future) as well as all DNA configurations currently connected to my through lineage or heritage, as well as any other known or unknown aspects of me.***

***1.2) I AM ETERNAL***, embodied at the present moment inside of/within the human skin/body suit known as "man", and am "created" by the Infinite and Immortal Creator of ***ALL THAT IS***:

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

I claim all rights as such, and fully ***RESERVE*** these rights for my living being's body suit and Soul, while removing ***ALL EARTHLY AUTHORITY[IES]*** assumed and presumed to be standing between my living being/SOUL and Prime Creator (ALL THAT IS) unless otherwise designated by my fully conscious, and fully informed consent.

***(There can be nothing hidden, nor any knowledge held back for consent to be valid)***

***1.3) I REMOVE ALL*** assumed or presumed (tacit) consent previously considered to be present in any part my life, my natural life, and in any seen and unseen levels and timelines forever! Consent for every act/action as concerns my living being/SOUL must now be asked for with each individual act, the reason and the situation clearly and transparently explained to me face to face, (or in writing), and the terms for each act negotiated, and finally a ***SIMPLE AND READABLE CONTRACT*** must be SIGNED by me in wet purple ink **before any consent can be secured and/or assumed and/or presumed for such act. There can be NO IMPLIED CONSENT with me.**

***1.4)*** This Declaration is my own creation! Therefore let it be known that I alone am the final arbiter, and the final ***Authority*** on what it means, and what I meant it to say! I remove all permission and consent for any of the words written in this Declaration to be used against its ***Author*** in any way, shape, or form, because this is my CREATION – and it was never created with the intent to harm its creator!

**NOTICE:** Only the definition(s) that I give will be used.

**2) DEFINITIONS**

***2.1)*** When I say and write the words "I", "me", "my", or "myself" anywhere in this Declaration – I am referring to my living being known on earth as alan ritter, (both as

a *Soul* and as a *living and breathing man*) as *I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.*

When I say and write the words “my life”, I am referring to my *natural life*, which is the experience that my living body/being as a Soul, (a living and breathing man) is having upon the EARTH and not any A.I. generated or other created “witness” of self!

2.2) Whatever form of contract is presented to me for agreement in this life/ natural life, and in any other life, *I FULLY RESERVE ALL FREEWILL RIGHTS* given to my SOUL by our eternal and loving Source, also known and acknowledged in this Declaration as *PRIME CREATOR* and reserve there the to change, alter, or void any agreement I see as no longer serving myself, as well as voiding any agreement made on my behalf without my full present being knowledge and consent.

***DEFINITION OF THE PHRASE “I DO NOT CONSENT”:***

- 1) I remove all consent for this act implied or other, personal or as part of a collective.
- 2) I withhold any and all consent for this act implied or other, personal or as part of a collective.
- 3) I withdraw any and all consent for this act implied or other, personal or as part of a collective.

***2.3) DEFINITION OF WHO WILL BE AFFECTED BY THIS DECLARATION***

Every human being and living entity, (whether chattel property, or not), whether from Earth or Not from Earth, whether from this timeline and dimension, or from other timelines and dimensions, whether from the past, the present, and the future, who may in any way cause a measurably negative and harmful affect upon my living being, my natural life, (mind, body, soul, astral, magnetic and emotional frequencies), is now forever affected by this Declaration. Intent does not matter, many feel there are not negative, their ignorance is not an excuse.

***2.4) DEFINITION OF “EVENT”, ALSO KNOWN AS A “CHARGEABLE EVENT” AS PERTAINS TO THIS DECLARATION.***

Each second of Earth Time (A second is one 60th of an Earth Minute) is a chargeable event that can be (according to my discretion) “*charged*” to any living and breathing man, living and breathing woman, secret group, corporation, agency, agent, AI, machine Intelligence, off world group(s), Entities, Extra Dimensional group(s), and any other entities that may be known and unknown who knowingly take harmful and negative action/s against my living and breathing body, my mind, and my soul, which are integral parts of my NATURAL LIFE while living here on the Earth.

Since each second of time is defined as an event, then each second of negative/harmful influence and action against “me” can then be billed at *FULL COST* as listed, against all those who were/are – “*planning*”, “*ordering*”, and “*carrying out*” these harms and negative influences!

***NOTICE:***

2.5) I am the final and ONLY arbiter of what will be defined as harm and negative Influence! If any being, “person”, entity, and/or group are worried or concerned about such costs, they have the right to CONTACT me email COM\_ATS @ protonmail.com or by any formal method such as mail, phone call, in person, messenger, etc.

The purpose of such contact would be to arrange a simple meeting, and to secure a negotiated CONTRACT with me that would absolve them of any such costs (as listed) for all of their

negative and harmful actions. In the absence of a simple negotiated contract, and the signing of such, it is assumed that these rules, definitions, and notices have been read by everyone affected, and are 100 percent acceptable to ALL, since it has been historically posted in a public space and domain where anyone can read it if they so choose.

**2.6)** No distinction will be made between those beings who cause me harm (in my natural life), those who “planned” that harm, and again those who ordered that harm.

For the purposes of this Declaration, these above are seen as acting together as one! The planners, order givers, and order followers (whether claiming to be sovereign, or are seen as chattel property belonging to others) will be equally held accountable for each act, frequency, and wave, (all measurable forces), that specifically targeted my natural life with the intent to do physical, emotional, mental or spiritual harm, including but not limited to attempts to kill, maim, discredit, financially ruin, separate me from my connection to the Divine Creator etc. These actions and use of these technologies covertly, is a **DECLARATION OF WAR** against all innocent souls, and specifically is a COSMIC LEVEL CRIME against my own natural life and *eternal soul!*

***NOTICE TO PRINCIPAL IS NOTICE TO AGENT! NOTICE TO AGENT IS NOTICE TO PRINCIPAL!***

### **2.8) PROOF OF FRAUD**

My experience with banks, schools, governments, medical representatives, off world agents, A.I., clones, clerks, lawyers and other agents used by the darkside etc. where jurisdiction was taken upon my strawman and not by human soul constitutes intentional Proof of Fraud that was willingly committed, and are therefore CRIMINAL ACTS UPON MY LIVING AND BREATHING BODY – MIND and SOUL by countless Principals, and their Agents!

### **2.9) DEFINITION OF HARM**

Harm, as defined here, is any act, and/or attempted act, (done by any of the above mentioned principals and their agents including those not listed) which causes a measurably negative affect upon my natural life. This “harm” can happen in thought, in word, and in deed. It can be anything done overtly, or covertly. It can result from the “planning” of physical action, the planning of psychic action, and the planning of dark magical action. It can be the planning and the use of Ancient and Esoteric Knowledge against my Natural Life. Harm can also be the “ordering” of other beings and entities, spirits and intelligent machines to also commit acts against my natural life that were/are physical, psychic, and darkly magical, which then result in a negative effect upon my natural life. It can be the use of nanites, chemicals, frequencies, harmful waves, GMO’s, Vaccines, Mercury, and any other “force” and/or frequency that can and cannot be measured! I can and is seen as encouraging living beings or soulless beings to attack me, deny my rights, inflict damage on me or those around me, as well as covert forms of manipulation.

***I am the SOUL of my own being, I am the owner and Author of my own natural life, and I operate from there, as I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

*I AM eternal pure love.*

**NOTICE OF REMOVAL OF CONSENT TO ANY/ALL NEGATIVE AND HARMFUL ACTIONS**

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**3) ANY AND ALL** computers and “electronic writing books”, that are in my possession, and are my personal property, paid for with effort put forth by my body and natural life, and are thus assigned to me for my private use, and are/were purchased by me with trade-able energy/value that I earned by my own fair effort. These machines and devices are **OFF LIMITS to everyone!**

No outside authority (or A.I.) is **EVER** granted access into the internal workings of any device that I hold in my physical and/or astral possession whatsoever, for any reason, unless consented to BY ME, by saying these audible words: **YES, I DO AGREE**, and can **ONLY** be valid after a full disclosure of EVERY possible reason for making such an intrusion, along with a full public exposure of the reasons as given to me, and how any such intrusion will then be used subsequently.

Any additions to the software and the internal workings of ALL devices in my possession that may have even the smallest possibility of affecting the device negatively, the software negatively, and/or creates a covert way to intrude upon my natural life and reserved privacy, ARE FORBIDDEN by this NOTICE!

Every man and women who breaths (in their own body and without Corporate Protection), even if they are chattel property, will immediately and automatically be fully bound by **THIS PUBLICLY POSTED NOTICE!**

Any ACT done by any living being, entity, intelligent machine technology, A.I. and derivatives thereof, E.T.'s and ALL OTHERS, (including chattel property) which invades my PRIVACY without first **NEGOTIATING** (face to face) a full and current contract to do that spying, and by doing so, gaining my Freewill Agreement through the placing of my signature on that contract in WET PURPLE IN, is a CRIMINAL OFFENSE AGAINST MY NATURAL LIFE, AND MY LIVING AND ETERNAL SOUL.

***This Declaration and Automatic Contract covers this, and all similar ACTS.***

**3.1)** Internet browsing is now PROTECTED under this automatic contract as well! Any censorship and/or blocking of any important information, news article/s, document/s, image/s,

and video content, that I choose to access for research, and for ANY OTHER REASON, is now expressly forbidden by this contract.

**3.2)** To use machines, A.I., and technology to “censor” and to block my access to articles, video and information, without first obtaining a fully negotiated, face to face contract, that has been signed by me, is considered to be a breach of this Declaration, and automatically engages ALL who do such acts bound under this automatic contract!

**3.3)** The act of using of the STING-RAY device, or ANY other type of device designed to intercept my private connection signal to the INTERNET is a double breach of my privacy, and will be charged under this automatic contract as double.

**3.4)** Any living being, entity, A.I., and other being (including chattel property) operating such technology as the STING-RAY, and any other such device that is intercepting and/or reading the results of my Internet connections(s), also up to and including giving ORDERS for the use of such devices, are now fully obligated under this automatic contract IN THEIR OWN LIVING BEINGS AS MEN OR WOMEN as the case may be (without the aid of corporate immunity or protection).

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**4) I REMOVE ALL CONSENT** to privacy invasion for any reason, either upon myself or using those around me to circumvent the edict.

**4.1) I RESERVE** the right to amend this Declaration of Freedom, and this Notice of Non-Consent at ANY TIME, and for ANY REASON, if it is found that something written here is either lacking in clarity, has been misstated, and/or needs to be corrected and/or deleted.

**4.2)** This Declaration of Freedom and removal of consent to “privacy invasion” includes all means and forms of communication that I currently use, and engage in, whether in my life, natural life, in e-mails, phone conversations, computer usage, internet travel and access, and business writings.

#### ***DEFINITION OF PRIVACY***

**4.3)** Privacy is defined as: My own unique and personal life experience as had during the entire course of my natural life. Each experience, had by my living and breathing being, is for my own personal growth and development. These are NOT for corporations to seek profit from, or to even record in any way!

These experiences, which are all part of my unique life, and natural life experience, are specifically protected from ALL use and abuse by any other persons or living beings in any way that creates money for profit, while demeaning, degrading, or negatively affecting my living being, which includes but is not limited to monetizing any aspect of my life, actions, thoughts or output, as well as profiting of off said parts of my human experience.

***I REMOVE ANY AND ALL CONSENT TO:*** tracking, counting, organizing, collating, sampling, polling, listening in on, and in any way watching and spying on my living being and manifest body for the purpose of but not limited to: targeting, marketing, psycho-analyzing, and any other form of intrusion whatsoever on this earth plane or any other plane of existence from the beginning of organized time to the end of time as define on earth, and related to any

and all beings not acting in my best interest as defined by me, my soul and SOURCE.

These listed things, and **any other form of action and behavior** that I would consider trespass and invasion, are expressly **FORBIDDEN**, under my definition of Privacy!

***Examples:***

I remove all consent to being tracked by credit card/s, and debit card/s, and any other form of payments that I may make, including PayPal, for instance, and/or I also remove all consent to being tracked through the use of Driver's Licenses, Passports, Identification Cards or any other electronic means, as well as emotional tracking, DNA tracking, mental tracking etc.!

**4.5)** The **ONLY** way any of the acts listed above could be done is to “ask” for my conscious consent, which could ONLY be given after a complete and total disclosure of every possible affect, and effect, in plain and simple terms that any such an act would have upon my living being. Such asking, and therefore the gaining of PERMISSION BY ME, would then have to be placed into a formal contract, and signed by me with WET PURPLE INK to be considered valid – **WITH NO EXCEPTIONS**.

**5) SPECIAL INVASIONS OF PRIVACY**

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**5.4.1)** The “harvesting” of my souls energy is forbidden regardless of the form that harvest takes! Whatever the form it takes, my energy is my own creation, and **IDO NOT CONSENT** to having it harvested for any other beings to use, and to profit from.

**5.4.2)** The buying, selling, and owning, without first obtaining a formal and openly negotiated contract of consent, amounts to **SLAVERY**, and is forbidden by me under my own FREEWILL.

**5.4.3)** Also forbidden is the harvesting of my physical energy! If such acts have occurred, and/or are occurring, then immediately see sections listed below: **NOTICE OF CONTRACT (Item number 11)**, and the Effective Enforcement Dates that are located in Sections 37 and 38.

### **NOTICE OF LAWS GOVERNING DECEPTION WITHIN A FREEWILL ZONE**

***I affirm: I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**15)** This Universe is a Freewill Universe, deception can therefore be used by anyone, anywhere, as they choose. However, this deception that any being would so choose to use, as per the Freewill of that user, **MUST NOT EFFECT/AFFECT ME IN ANY WAY THAT I WOULD CONSIDER HARMFUL AND/OR NEGATIVE**, specifically target my life intentionally, and/or be used to change my thinking, motivations, emotions, and/or happy life experience. No longer may others, living, dead, mechanical or other be used to violate my FREEWILL>

**15.1)** ANY and EVERY contract negotiated by others with my living being, must be current and up to date, (not older than a two Earth years), and WILL ALWAYS have all of the possibilities and all of the outcomes openly exposed for my review (in simple language and terms). All other agreements that are not in my best interest are VOIDED by my as is my right and I can and will review any that are in dispute.

This is necessary so that I can choose carefully, with full knowledge and wisdom of the consequences of each choice that I make! ANY and EVERY contract made with my living being of any nature WILL have the option to verbally “opt out” of that contract at any time, if the spirit and the understanding of the contract is breached in the tiniest amount by those who originated and created the contract.

**15.2)** If deception is to be used by those who must deceive, then it is DEMANDED and ORDERED (under my Authority) that they inform me of the truth of their lies in advance, so that any deception being used by them, will not cause any problems for my life for which THEY WILL be contractually obligated to COMPENSATE me for. This notice must be open, obvious, and direct, or it is NOT CONSIDERED BY ME TO BE VALID ADVANCE NOTICE.

**15.3)** Since I have the same freewill, in this freewill Universe, as those ones who choose to deceive, I AM using my freewill, to DECLARE AND TO ORDER THAT NO ONE has the right to openly deceive me in any way that affects my life harmfully and negatively without **FIRST** having face to face negotiations without any adversarial tactics used.

### **NOTICE OF COSMIC LAWS GOVERNING THE RULES OF DECEPTION WITHIN A FREEWILL ZONE**

**15.5)** You have the right to freely deceive, **ONLY** if I have the right to freely demand **NOT** to be deceived and have that demand adhered to. All souls and created beings are **equal** in the eyes of Prime Creator who first created them. Not one of these souls has more rights than the next. Freewill is complicated to fully understand, but I assure you that the off worlders who first gave the Earth the **Ancient Law of Contracts** understood them very well.

They understood that THEY could do nothing here on Earth without first gaining the consent of those living here. Whether done through trickery, mind control, or deception, consent is, and always has been, **MANDATORY** for any one individual soul to do an action which has an effect on another individual soul, without incurring grave consequences from Prime Creator. **IN MY CASE**, I remove all consent to the use of deception period!

### **DEFINITION(S) OF DECEPTION**

#### **16) Deception:**

- To knowingly lie, to tell an untruth. To knowingly hide from view. To act in any way covertly. To keep important and vital information secret. To act from behind the scenes, while pretending that the act is coming from someplace else, or not even happening.
- To act in a way that negatively affects myself, and/or affects someone else, that in turn comes back to affect me. To hide, to remain anonymous while intending to cause harm, whether physical, mental, and/or emotional, with regard to my living and breathing incarnated body, mind and being.
- To withhold ANY vital information that would give myself, and/or someone else that may in turn affect me, the opportunity to make a different choice so as to AVOID negative consequences and harmful circumstances.
- To strike out, and to act anonymously in ways that are negatively affecting myself, and/or other beings, while remaining behind the scenes so as to confuse, to confound, and/or to unreasonably construct an advantage over myself and/or those other living beings.
- To use others, including non-human entities to deceive and mislead.
- To use A.I. or computer driven exchanges to violate Freewill and deceive.

***These are all considered deception.***

**16.1)** To deny my incarnate being, through trickery, deception, and/or false contract, my freewill, without first getting my fully awakened, and aware consent, (nothing hidden) is to deny in practice that Freewill exists, and thus, those beings doing such acts have **NO** legitimate and rightful claim to FREEWILL anywhere in the Universe for themselves, since their very actions here deny that freewill exists.

### **NOTICE TO ALL EARTHLY VISITORS AND DEFINITION OF EARTHLY VISITORS**

#### **17) Definition of Earthly Visitor and an Off Worlder:**

#### **Definition of a living being:**

- Any incarnated man or woman, and/or any other being that is ***not machine based***, but in fact lives and breathes in an organic nature and has established a true connection to SOURCE.

**17.1) NOTICE:** The leaders and government officials living on the surface of the Earth, and within the Earth, and above the Earth, AND all of those church officials operating at the VATICAN that you deal with currently or historically, **DO NOT SPEAK** for every human being (man or woman) living on this planet and do not now, nor have ever, spoken for me or

on my behalf – I am not under your control or jurisdiction and neither are any strawmen or other false representatives of me you may be harboring. All implied jurisdiction is hereby revoked in perpetuity.

**17.2)** YOU (as Earthly Visitors) are also being specifically NOTICED to both behave yourself while visiting this planet called EARTH, because this is my PLANETARY HOME by right of INCARNATION! Also, make certain that before you interact with any other Earth Human Being, each and every individual being has given its **CONSCIOUS CONSENT** in full transparency, if you should choose to effect that being negatively and/or in a dark way.

**17.3)** I specifically reserve all “RIGHTS” that are cosmically granted to my living being and SOUL, by the higher “Galactic”, and higher “Universal Councils” which are given to all living beings who are currently taking a physical incarnation here on the EARTH, (also known as Gaia, or Terra/TerraNew) and I make **NULL AND VOID** all claims historically made by other humans and/or non-humans, as well as certain Earthly Visitors, that may indicate that I have inadvertently signed away and/or given up any of my SOULS rights and/or given consent tacitly and/or unwittingly to any type of harm. These rights given by the higher “Universal Councils” include the right to claim reparation, and restitution for any and all damages and harm, no matter how tiny, as a result of refusing to negotiate with me!

**17.4)** I specifically **CHALLENGE, REBUKE, AND MAKE VOID**, every assumption and presumption of having ever given away and/or surrendered any RESERVED RIGHTS, and/or given any VALID CONSENT, for negative actions that are, and/or have been adversely effecting me, which are/have been caused as a result of Treaties signed by Earthly Visitors and Earths **psychopathic leaders**.

**17.5)** I specifically CHALLENGE all assumptions/presumptions that may be legally made, knowing that any such giving away of rights, consent, or freedoms, would have to have been **gained through criminal deception, mind control, or trickery, (Fraud)** and thus renders any assumed/presumed CONSENT in any case or matter, **TOTALLY INVALID**.

### **TREATIES**

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**17.7)** **NO TREATY** historically made with any human being, and/or group of humans living on the EARTH, (or non-humans from off of the Earth, if they claim ownership), IS VALID, if that Contract or that Treaty in any way effects my life, my natural life, and my body, mind, and soul in what I would consider to be a measurably negative and/or dark way!

- The only exception to this rule is to first gain my fully informed, and current, (not more than 2 years old) consent in a separate VALID CONTRACT and/or Valid Treaty that has been fully negotiated with me (face to face), and then signed with a wet purple ink signature.

**NO TREATY** made by anyone, anywhere is valid, if it collaterally effects my living and breathing being, my life, my natural life, my happiness, and/or my wealth in a dark, harmful and/or negative way without my full and comprehensive, transparent consent to the said and/or stated Treaty, (even if I am not party to such a treaty).

***This includes all corporate treaties and contracts as well as OFF WORLD TREATIES.***

**17.7.1)** A separate SPECIAL CONTRACT or treaty with my living and breathing incarnated

being is necessary, to be negotiated face to face and signed by me, if any actions done here on Earth (by Earthly Visitors) which includes all military technology transfers, have had the slightest detrimental effects upon my natural life!

In the absence of such a negotiated treaty, I reserve the ***RIGHT TO CLAIM DAMAGES*** from these beings, entities, or Earthly Visitors, (not only in this natural life, but the next, and the next) until ***full payment*** is made and received!

**17.7.2)** While such a TREATY must be negotiated face to face, and then signed, depending upon the nature of the treaty, ***daily updates may be required.***

**17.7.3)** To be clear, all treaties historically made anywhere at any time, ***that are destined to affect me in a measurably negative and harmful way,*** must be renegotiated with ***me*** as well, or they will be considered under my fully ordained AUTHORITY, that has been bestowed upon me by PRIME CREATOR, to be ***null and void.***

***This statement stands throughout all time, space, densities, dimensions, all lifetimes, timelines, versions, aspects DNA, ancestors etc.!***

**17.7.4)** These persons, beings, entities, corporations, secret groups, human or non-human, from Earth, or not from Earth, in making such treaties with Earthly Visitors, and once finding out about my NOTICE OF CONTRACT have the standard allowable amount of earth time (3 business days) to contact me as a living and breathing man, and rectify the situation in order to restore balance, harmony and honor and I will gladly resolve the matters amicably.

***NOTICE TO PRINCIPAL IS NOTICE TO AGENT; NOTICE TO AGENT IS NOTICE TO PRINCIPAL.***

**17.8)** The internet is capable of reaching any technology available to advanced Races, and thus, ***NO OTHER PUBLIC NOTICE IS NECESSARY!***

**17.13)** I cannot be included in any TREATIES, agreements or other “decisions” based on the collective’s acceptance unless notified personally, in writing six months in advance of said agreement. I am opting out of any agreements made in the past which include me and are not deemed of or for my highest good by MYSELF and SOURCE, as such all agreements are voided and accommodations must be made immediately by the offending parties, which include but are not limiting to removing me from all lists up to compensation from damages.

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**18)** If any such acts, events, treaties, and/or any other things as listed above are being done, and/or ever were done, then those acts occurred without my consent, and without full knowledge of the consequences, and will be ***considered deception,*** and will thus formally and fully engage any entity, being, corporation, secret group, machine technology, A.I., person, human and non-human, from Earth, and not from Earth, into this openly transparent and historically NOTICED contract by their own action/s of choosing to do these things, without first negotiating a lawfully ***Valid Treaty*** or ***Contract*** with my own living being.

**19)** All “tacit” or presumed consent for any act of doing, done by another person, entity, being, that affects me in any way that I would consider to be dark and/or negative what-so-ever is hereby now permanently removed, and challenged, and denied.

It is denied to any and all beings and entities UNLESS A CURRENT CONTRACT and/or TREATY has been negotiated with me face to face in the physical body and on the Earth.

20) Consent for any and all acts which affect my living body, mind and soul in a negative way, ***must now be asked for***, and acquired for EACH individual act which concerns my natural life, IF that act effects my natural life, freedom, wealth, happiness, or reserved rights in any way that is negative even if said beings fail to see the negative impact or do not see their actions as a violation of FREEWILL or negative in any way. Errors must me made on the side of over explanation not less.

21) 10 (ten) Earth days are given for a “valid response”\* from ***ALL*** Earthly Visitors and Off Worlders that have been involved in ***ANY*** treaties made with Earthly Leaders that currently effect my living being, or the way I live my natural life in a harmful and negative way. If ***NO*** valid response is given or received, it will be considered to be an ***ADMISSION*** of the guilt of having created such treaties, and also the total and complete ***ACCEPTANCE OF THIS CONTRACT*** as a ***VALID REPLACEMENT*** to any missing treaty which could have been negotiated with me in good faith.

In addition, no valid response constitutes a ***TOTAL AGREEMENT TO ALL PAYMENTS CLAIMED*** for any negative effects that such treaties made with all Earthly Leaders (or those who claim Authority here), may have had upon my living being and natural life without first gaining my formal valid consent.

***21.1) \*Definition of a valid response:***

***Direct face to face contact with my living being is the only acceptable valid response. Face to face negotiations are required. No other being is allowed to negotiate or consent on my behalf, not now, not ever.***

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

21.2) I respect all forms of life, AND do recognize their rights and free will, I acknowledge that Freewill exists, thus guaranteeing my right to Freewill here, and in the higher levels.

***NOTICE OF RULES FOR ACCESSING THE INTERNET (A PUBLIC INFORMATION VENUE)***

22) For any printed consent form, presented for agreement, from any corporate business or outlet, which allows me to access the internet through their system – ***TAKE NOTICE!*** If I am “compelled” to push an ***agree button*** to access the internet, I am only agreeing to give ***very limited consent*** in order to gain immediate access the internet through a secondary party, but ***I AM NOT*** consenting to and/or agreeing to give up any rights and authority, (already listed here) which I always hold in ***reserve***.

To give up and/or surrender any reserved rights and authority would ***require a fully negotiated***, face to face, ***CONTRACT OF CONSENT*** in order to be considered valid consent.

Special Notice to: Apple, Google, Yahoo, Gmail, Youtube, Facebook, Twitter, and others – By asking for my agreement online, without face to face negotiations YOU are agreeing that NO CONTRACT has ever in fact been made between my real living being, my on-line persona (whatever that “name” happens to be at the moment) and your Corporation, Company or Group!

In the absence of such face to face negotiations, (human being to human being) any such assumed/presumed consent will be considered **INVALID BY ME**, and gained through criminal deception, and/or trickery and will immediately bring the deceiver under this comprehensive **Notice of Contract**.

**22.1)** For any and all access errors received while using the internet. **I REMOVE ALL CONSENT** to any limitations to my personal internet freedom that is placed there by design to simply control and/or steer my browsing behavior. ALL access errors – and other such nonsense which may be placed in my way by A.I., algorithms, and robots **are forbidden** under this contract, whether caused by being, entity, or **machine technology**. Those living beings that do this without first obtaining a **valid contract** with me must **contact me, and negotiate** in order to secure a valid contract first or immediately fall under the terms of this contract. **No exceptions. (See Authority – Section 25)**

**22.2)** In addition, **I REMOVE ALL CONSENT** to the modification of any equipment (electronic or otherwise) that I may have purchased what so ever, that prevents me from accessing the internet, and/or certain web pages and their video content (**YouTube** as just one example).

**22.3) Definition of Valid Contract:**

A valid contract is a contract that has been negotiated with me face to face, and agreed upon! All other forms of contract are invalid! All plausible and possible affects or effects of any contract must be disclosed during the negotiations, or the contract is also invalid. All contracts must be signed by me with wet PURPLE INK, or else that contract is invalid!

**23)** Finally this Notice of Contract may change at any time without further Notice. All changes go into immediate AND retro-active effect.

**AUTHORITY**

**The only authority I operate under derives from this one TRUTH: I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.**

**24) My AUTHORITY** is derived directly from **PRIME CREATOR, SOURCE, UNITY!** I am my own representative to HE who created my Soul, and I have a Special Agreement with that Being which is the **SOURCE OF ALL!** No other authority is therefore needed, and no authority can ever be placed before **HIS AUTHORITY** where my Eternal Soul, physical body, and mental being are concerned.

**24.1)** Since I AM my own representative of and to PRIME CREATOR, then NO OTHER spiritual or religious authority here on the Earth can supersede my own directly ordained AUTHORITY with the true FATHER and CREATOR of all that is. This includes all those who are either appointed, and/or elected to hold office, whether here on Earth, or off the Earth, where “powers” are granted, and/or authority is bestowed, either to regulate or to govern, because I am already under a private **“special agreement”** with THAT, which can only be defined as pure love.

**24.2)** I, here and now, in the past, and in the future, remove all presumed consent, tacit consent, and assumed compliance with all lessor Authorities that are EARTH based and merely human, as is my Right under my special agreement with Prime Creator, who is the maker of all UNIVERSES, and I **CHOOSE** to stay under HIS AUTHORITY ONLY with no

other authorities standing in between. All “agents” acting on my behalf have now be fired and their authority revoked – in all timelines, all planes of existence through all expressions.

**24.3)** In ALL matters concerning my living being, and/or my living and breathing body, mind and spirit, which includes my Astral body, and all other levels of my multi-dimensional being, my Special Agreement with PRIME CREATOR *IS FINAL*, and supersedes every other Agreement and/or Authority, Convention, Statute, and/or Regulation that has ever been written and/or thought of that is either Earth based, and off world based.

This is especially true if such things seek to enslave my physical body and/or being, and/or limit my freedom in any way without first gaining my conscious, fully aware, and fully informed (nothing hidden) Consent after face to face negotiations.

**24.4) *Pre-birth incarnational contracts are all, here and now, made permanently NULL and VOID as a result of the gross deceptions, gross violations, trickery, mind-control, and black magic occult practices that have been used without my consent.***

**24.4.1)** Due to conditions of Contractual breach by dark magicians and worshippers of Satan, ***I PROCLAIM THAT NO CONTRACT***, I have ever signed as concerns incarnations upon the Earth is Valid. ***Even if that contract was signed 26,000 years ago, or even 1,000,000 (One Million) years ago in all dimensions, all timelines, all densities. Timeless contracts are by nature void, all agreements not deemed by me or SOURCE as being for my/OUR highest good are void.***

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**25)** Any being, entity, corporation, secret group, or person, whether human, non-human, and reptile who willingly seeks to limit my freedoms while living on Earth, and deprive me of a perfectly healthy life and body, and happiness, my natural life’s wealth, which includes any monies I have personally earned with my efforts, and/or am entitled to by my physical appearance and incarnation upon this planet, is now duly ***NOTICED:***

**26)** By the action of doing these things, YOU are entering into a BINDING AUTOMATIC CONTRACT to compensate me for these acts in the amount that I have clearly noticed and designated above.

**27)** The COST, and consequences of entering into my Contract, ***IS/ARE AGREED TO BE PAID IN FULL*** by each man and/or woman (living entity/being) once incurred through the act of doing any of the above mentioned things, and/or those actions now mentioned as follows:

*LIMITING my freedom, DEPRIVING me of a healthy life and body, interfering with my happiness, DEPRIVING me of any wealth that I have ever created and earned, through ANY means that I would never have agreed to if fully disclosed, including taxation and all agreements where one, or their agents, employees or minions are in dishonor with me. Balance must be restored and love and compassion will be forthcoming to those who step forward to restore honor immediately.*

This ***Binding Contract*** is agreed to, no matter whether I as a living being, (a man incarnate upon the Earth) am still living on the Earth, or have left the physical portion of my being/body, and moved on to somewhere else in the multiverse. This contract also applies to all forms of intelligent machine technology. If you are intelligent technology or (A.I.) then your programmers/creators are equally responsible for your debt! You will inform them of

this, since as intelligent technology that can think. If you fail to do this, **YOU AGREE** to be totally destroyed instead.

**28)** It is accepted and demanded that any and all payments to be made, will be made immediately. As listed above.

**29)** Contact me immediately to resolve compensation matters as needed.

**30)** To use fictitious legal constructions known as a Birth Certificate, a Passport, an Identification Card, a Social Security Card, and a Driver's License, as substitutes for an open and transparent negotiated Contract of CONSENT for any acts that affect me negatively and harm my life, is **expressly Forbidden** and those feeding off of those deceptions must cease their actions!

No **fictional device** and/or **fictional construction** can be used as a replacement for a valid, fair, and openly negotiated, and fully disclosed **CONTRACT!**  
(See definition of Valid Contract above).

**31) Time Travel**, whether done physically or by any other means of Quantum Access, is expressly forbidden if the goal of that Quantum Access is to bypass and to subvert this Notice of Contract, and/or to change either myself, my natural life, and/or the Timeline!

**32)** Time Travel is forbidden if it is used to pass on ANY information about me and my natural life to any agents, machines, (A.I.) principals or players, human and non-human, from Earth, and not from Earth, since **that information** is claimed by me as my property, created by me as part of my natural life experience, and protected under my special agreement with PRIME CREATOR!

**32.1)** Modifier: If any being and/or entity and/or even intelligent machine technology who is working with the LOVE vibration who has the best interest of human beings living on the Earth at heart and mind, then an agreement can be reached, (negotiated) for the transport (through time) of vital information, If this is done with my full knowledge and consent.

**33)** Those who use Time Travel and Quantum Access in any way that negatively affects me, and my natural life, **AGREE** to compensate me one thousand times more for each incident, than the quoted rate of One Trillion Troy Ounces of Pure Gold (24 karat).

**34)** Finally, this NOTICE is made fully **RETROACTIVE** to the very moment of the beginning of my natural life on Earth due to the complexities involved in dealing with both Quantum Access and Time Travel.

**35)** The "EFFECTIVE DATE" of this DECLARATION AND NOTICE goes back primarily to the inception/conception date of my current natural life on this planet Earth for all things, however for "special circumstances"... , it goes far back to the very first Treaty made by the Corporate US Government with any ET Race for any reason, AND goes back to the very first Treaty made by the Catholic Church with any ET Race for any reason, and also goes back to the ELDERS that may have been chosen by the Atlantean Council, who then made any Treaty with any ET race or species for any reason.

All agreements made on my behalf, or my FUTURE behalf, as an individual or a member of some group or collective are void.

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

**NOTICE OF POSSIBILITY FOR THE PEACEFUL RESOLUTION OF THIS CONTRACT WITHOUT PAYMENT – AND MORE RULES**

**36)** All CONTRACTS entered into with me, (by beings that have done so by the doing of these acts) ***CAN BE RESOLVED WITHOUT PAYMENT***, but only on a case by case basis, as I see fit, depending upon circumstance, and depending upon the intent with which each act occurred!

**37)** Negotiations for Resolution (other than payment) must be done with me face to face, and be must done with an honest and clear intent to seek forgiveness for each separate act. Reasonable compensation must be offered, but may not necessarily be accepted.

**38)** This Contract is Valid Everywhere in the Universe, and can ***Not BE MADE VOID***.

**39)** NO previous consent ever given, if done under duress, and/or as a result of deception, and/or without fully being informed of all of the possible outcomes, is considered valid. *If conditions of validity are not present, then no CONTRACT or Treaty Exists with me and the above Contract remains in FULL FORCE OF COSMIC LAW.*

**40) I reserve All RIGHTS given to the SOUL by its CREATOR.**

*(The Soul is my living, multi-dimensional being both here on EARTH and in the higher levels of Consciousness and existence/awareness).*

**41)** I do not consent to any law or statute, that purports to take away and/or limit ANY freedom given to the Soul by its Creator unless specifically and transparently consented to by me, with full ramifications of such consent openly revealed to me at the time such consent is given, and to be continually updated as to any and all changes in such ramifications with the opportunity to opt out easily!

**42)** Any information and data being hidden from me, automatically nullifies and voids all contracts ***AND*** previous consents made by me (my living being) immediately, and places the creator of such a deceptive contract under ***MY CONTRACT***.

**43)** Any ramifications to actions done and/or intended to be done to me by others that are buried and hidden in a pile of legal paperwork (more than 3 single pages measuring 8 inches by 11 inches, with standard size print) with the intention to hide such information, is to be considered deception and will immediately fall under the deception clause of my contract. (Contracts for individual acts should be simple)

**44)** Any fine print, or print that is unreadable by the normal human eye without assistance from technology, and/or any added clauses to any treaty and/or contract made by me are specifically forbidden and are considered to be ***deception***, and will automatically fall under the deception clause of my contract unless I am notified first, and all such items are renegotiated by me in full honesty and transparency.

**45)** Any attempt to subvert my rights through deception, whether overt, covert or other is to automatically agree to contract with me by the action of doing these things.

***I, who is known as alan ritter on Earth, AM A FULLY ACTUATED SOVEREIGN INDIVIDUATED ASPECT OF SOURCE.***

***Statement:*** What has been done has been done. We cannot undo or correct the past, but we can retain honor as we all move forward. To those who wish to “make amends” for the attacks, dishonorable efforts, manipulative efforts, the truly horrifying things done to me: You are free to resolve the matters and I will gracefully and gladly accept the form of balance suggest herein. This statement of truth is not meant to be complete, but is meant to serve as formal notice to those for whom “contracts” are the method of manipulation and control. The days of war are over, peace and harmony will be your way to redemption and acceptance of self.

***THIS DECLARATION of IMMORTALITY, FREEDOM, FREEWILL, IMMUNITY FROM EARTH’S AUTHORITY STRUCTURE, and LIVING PROCLAMATION of INDEPENDENCE FOR THE ETERNAL SOUL is valid throughout the entire known Universe!***

It now exists and stands as a testimony of *fact* in every Time and Timeline, including the Past, Present and Future, all dimensions, densities and planes of existence!

It stands as written in *every* Galaxy and System, Reality and Realm, Alternative Dimension and areas of Space that are known and unknown. It is good in every parallel reality, parallel universe, and all places and spaces in between. It is good outside of time and in any virtual spaces or realms where time has been copied, only to be “cut and pasted” back into other timelines, realms, universes or realities. It covers ALL: If SOURCE IS PRESENT, so is this statement and the intent behind it.
